dumawall®

WATERPROOF WALL TILES

Quick Fix

Do it yourself and quickly!

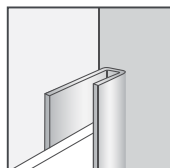

Dumawall Quickfix is a tile you can easily install on your own, because of its adhesive back. You do not need special tools and you will have a completely new waterproof wall **in only 3 steps!**

- 1 Clean and degrease the base surface.**
- 2 Remove protective film from adhesive layer.**
- 3 And start working!**

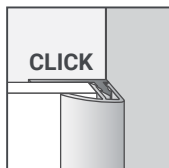

It is **easy and fast**, it's the **Dumawall QuickFix**.

UNIQUE RCB TECHNOLOGY

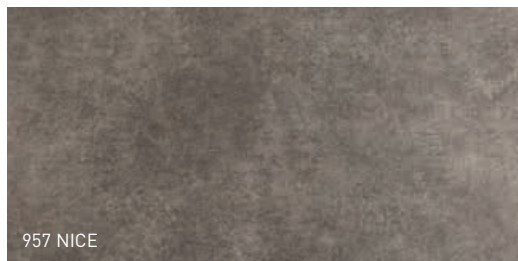

Our slabs are made with the revolutionary RCB® technology. RCB® is the abbreviation of Rigid Core Board, slabs with a hard core. This unique and patented technology offers our slabs stability, proper sealing and safety. The ideal base for slabs that you will enjoy for a long time.
