WATERPROOF

EASY-FIX

MULTIFUNCTIONAL

SHORT BOARDS

10 YEARS WARRANTY

*Short boards  
in wood design*

## WATERPROOF

The printed panels are waterproof, unalterable and durable. Unlike wood products, they will not bend, crack or delaminate.

## EASY-FIX

Thanks to the tongue and groove system you can fix the boards quickly and easily with glue onto the wall.

## MULTIFUNCTIONAL

The panels with SMP technology can be used anywhere in the home.

## 10 YEAR WARRANTY

Dumaplast offers a warranty of 10 years, more than other similar products on the market.

## SHORT BOARDS

The wall panels are available in a width of 16.7 cm and a length of 1.2 m. The products can be installed as real wooden boards using glue.

## WATERPROOF WALL CLADDING WITH HIGH RESOLUTION PRINT !

Dumapan is our standard range of waterproof plastic wall and ceiling panels. SMP stands for "Synchronised Multicolour Printing", a new technology allowing our high-tech printing machine to print photographic true images on our products with a high resolution of 360 dpi. This ensures that your wall is given a realistic look and feel that is true to nature.
